- **PERSONNEL EVALUATION PROFILE TEST:** The PEP test is used to gauge an applicant's ethics and attitudes towards drugs, reporting theft, socialization, customer service, employment background, absenteeism, and tardiness. 3. BACKGROUND INVESTIGATION:

Those applicants who have successfully completed the testing stage of the process will undergo an extensive background investigation. Areas in this investigation will include but not be limited to verification of all information on the employment application, personal reference checks, neighborhood checks, spouse and family interviews, a credit check, and other areas that are deemed appropriate and allowable by law.

It is required that each applicant personally appear before a Board of Review; Comprised of members of the Police Merit Board, and the Chief of Police and/or his designated representatives. 5. TRUTH VERIFICATION:

Applicants who have been given a conditional offer must successfully complete a truth verification examination. The method of verification used by the Elkhart Police Department is the polygraph examination. The polygraph instrument is designed to identify deception by asking a series of questions and monitoring the applicant's responses. 6. PHYSICAL AND PSYCHOLOGICAL EXAMINATION:

Indiana state law mandates that each police applicant who receives a conditional offer of employment, and passes the truth verification examination, successfully pass a complete medical and psychological examination given by approved PERF (Public Employee Retirement Fund) physicians and psychologists. The applicant will make all arrangements to undergo the examinations and promptly notify the Elkhart Police Department Services Division of these arrangements. The costs of the examinations are covered by the local Pension Board. Once received by the department, the examinations become the property of the department. It is required that a PERF approved licensed physician and psychologist, sign off on the PERF examination booklet indicating that the applicant has met all PERF standards for employment and membership in the PERF plan. Should the examining physician or psychologist not sign the PERF booklet (indicating unsuccessful completion of the PERF examination), the applicant cannot be hired by the department.

7. APPROVAL BY THE LOCAL PENSION BOARD:

Once the signed PERF forms are received by the department from the examining physicians, the local Pension Board must also meet to sign the PERF application. The local Pension Board is also responsible for ensuring that the applicant meets any local standards or requirements adopted by the local board and the Board of Public Safety.

8. FINAL APPROVAL BY STATE PERF BOARD:

After the local Pension Board signs the PERF booklets, they are sent to the state PERF board for examination and review. The state board will then determine if the applicant is eligible, (based on physicians statements) to participate in the state PERF. They will further determine whether any excludable conditions exist that would prohibit the applicant from claiming disability pension benefits in the future. Those applicants passing the aforementioned mental and psychological examinations, and receiving endorsements from the local Pension Board and the state PERF board will be given a conditional offer of employment by the Board of Safety, and as soon as practical, be sworn in as a probationary police officer.
